Birthday parties at the Barn Nature Center are an unforgettable, hands-on, entertaining, yet educational adventure! Our parties are unlike any other, we offer animal interactions, a huge party room, and also rock climbing and a game room! We offer 4 package options that are based upon the number of children attending.

Party Package #1: 10 or less kids. 2 hours. = \$250  
With Rock Climbing/Game Room add - on + \$100 = \$350

Party Package #2: 11-15 kids. 2 hours. = \$300  
With Rock Climbing/Game Room add - on + \$125 = \$425

Party Package #3: 16-20 kids. 2.5 hours. = \$350  
With Rock Climbing/Game Room add - on + \$150 = \$500

Party Package #4: 21-25 kids. 3 hours. = \$400  
With Rock Climbing/Game Room add - on + \$175 = \$575

Additional children after 25 kids are + \$10/person with no add-on and + \$15/person with add-on. We accept a maximum of 35 kids for parties.

Included children are any that will be actively participating in the party. Adults are not limited by the Barn Nature Center, they may stay or drop off.

Generally the party flow goes as follows; Arrival (guests may stay in the party room, or preview the animals as we wait for the majority to arrive), Animal tour (approximately an hour long), Party room (for anywhere from 30-60 minutes), Rock climbing/Game room if added on (for an hour). We are completely flexible with this order, if another is preferred. It is important to remember that a party rarely has all guests in attendance for the exact start of the party. This is why we plan for an hour of time for food, so that we can shave off time there if needed.

The Animal Tour: Our staff guides guests throughout our nature center to meet some of our over 140 animal residents. Children get to learn about the animals they meet, and many animals will be touched, and some can even be held and fed! The tour does take approximately an hour, however, it can be shortened or lengthened as needed to flow the party correctly. Our staff are able to entertain children of any age with the facts they provide and how quickly it is moved along (for those with short attention spans!)

Party Room: You are offered a flexible hour of time in our Party room. This is your time to shine and host your guests. We are always happy to help as you see fit, however all food and beverages are provided by you. We do provide plain, un-themed paper products

(plates, cups, napkins, utensils), Tablecloths, fridge/freezer, some serving dishes, and decorations (generic "Happy Birthday" Theme mixed with animal decorations). Since our room is separate from our animals, we have no restrictions on food/beverages brought in. We also have no restrictions on any decorations/themes that you would like to bring in to decorate with as well. We generally are able to offer up to a half hour of time prior to your party, for you to come in and get set up if necessary. Please coordinate this with your party planning contact! PIZZA RECOMMENDATION: We do recommend Little Dom's 215-345-8500 as they give our customers 10% off.

Rock Climbing/Game Room: If you choose to add on this option, it adds an hour of time on to your party, as well as our add-on price. With this option, we offer the following:

Certified staff to belay any rock climbers up our 36-foot high rock wall

Pool Table

Air Hockey

Fusball

Board games

Piano

Assorted Balls, hulah hoops and jump ropes

None of the games are coin operated! There are no tokens necessary! We have no weight/height/age restrictions on the people allowed to climb the rock wall. We are happy to harness up small children, even if they are only going to go up a few rocks!

The booking process: Once you are ready to book your party, please get in contact with the office at the Barn Nature Center (bncoffice@edisoncourt.com or 267-421-4818). It is best to try to book 2 months in advance. We normally host parties on Friday evenings, Saturday mornings and afternoons, and Sunday mornings and afternoons. Other days of the week may certainly work for us, but we will have to ensure staff prior to booking. Once booked with a BNC office staff, you will be sent a contract via email. We ask that as soon as you can, you return the contract, signed and pay a \$50 non-refundable deposit immediately upon booking. Your email will also include a waiver for you to look over, that all of your guests will have to sign if they have participating children. This waiver can be signed upon arrival, it does not need to be received ahead of time. Once booked, it is highly important, that if you come to realize you will have more or less children than you planned, that you notify the Barn Nature Center office staff as soon as possible. Once we reach 2 weeks prior to the event date, the contract is set, and the total cost cannot go down, however, if more people attend, then the price must increase.

Gratuity is not included in Party costs, and is not necessary, although always greatly appreciated!

Thank you so much for considering the Barn Nature Center as the place to host your child's birthday!! We look forward to working with you and your family! As a non-profit organization, all proceeds from our events and activities go towards maintaining the best quality of life and care for our animal residents, as well as constructing our educational programming so that we can promote passion for animals and conservation in children and adults in our community!! Thank you for your help!!
